About Shanta Gold Limited

Shanta Gold is an East African focused gold producing company. It currently has defined ore resources on the New Luika and Singida projects in Tanzania and holds exploration licences over a number of additional properties. The Company's flagship New Luika Gold Mine commenced production in 2012 and produced 64,000 ounces in 2013. The Company is admitted to trading on AIM and has approximately 464 million shares in issue. For further information visit the Company's website: www.shantagold.com.
